

Afternoon Mr Otty

You are probably constantly inundated with emails like this one on a daily basis but I would just like to say that I was present during the talk you gave to the Law students of the University of Cape Town last week Thursday and would just like to thank you for such a powerful and informative talk... not speech.

I was truly at awe as well as inspired by the infectious passion and drive that your presence commands and sincerely hope to have an actual conversation with you in the not so distant future.

Keep up the excellent work at the best law firm in Africa.
Regards,

Second year LLB student at UCT
