

Hi Jacqui

Thank you so much for including the DGC girls in your first Norton Rose Scholar Day. The girls found the day most informative and the activities that they engaged in were fun and enjoyed by all. Please convey a big thank you to all involved in organising and participating in a most successful day, and for the valuable opportunity that Norton Rose afforded the girls.

I so enjoyed the stories behind the partners', associates' and articled clerks' decisions to choose law as a career and the sensible advice they shared with the pupils about not rushing into a career but taking things slowly and maturing before they settle down into a full time career.

Well done Jacqui on all the trouble you took to organise this special day.
